About Me

I am a self-taught and highly motivated individual with experience in Python programming and web development through self-study, personal projects and an internship as a full-stack web developer intern at Inmakes Info Tech Pvt. Ltd using Django framework.

Through my independent studies, projects, and internship, I have gained a solid understanding of Python and its various libraries and frameworks including Django, as well as web development technologies such as HTML, CSS, and JavaScript. I am also familiar with Git and version control practices.

I am passionate about programming and have a strong desire to learn and grow as a developer. I am quick learner, problem solver, team player and have experience working in a collaborative environment. I am excited about the opportunity to apply my skills and knowledge in a professional setting and to continue learning and growing as a developer.
