Sub. : Application for the post of **“React JS Developer”**

Respected Sir

I have been aspiring for a company that would give me an opportunity to demonstrate my talent and also one that could give further scope of growth. I think your company meets my expectations

I shall consider myself fortunate if I am given an opportunity to become a part of your esteemed company and contribute significantly.

I am enclosing my resume for your consideration. I shall glad to receive an encouraging reply.

Yours sincerely,

Mary Victoria.

OBJECTIVE

I would like to be a part of a company, where I could use and enhance my knowledge and skill for the development of both the company and myself.

ACADEMIC BACKGROUND

MCA (Master of Computer Applications) - I have completed my MCA Course in the year 2015 and studied at “Chinmaya Institute of Management and Technology” Kolazhy, Thrissur, recognized under “Bharathiar University” Coimbatore. I have earned aggregate of 76 % marks.

BCA (Bachelor of Computer Applications) - Studied at “Chinmaya Institute of Management and Technology” Kolazhy, Thrissur.

HSE – Studied at “Bethany Convent G.H.S.S”, Kunnankulam, Thrissur(Dist.).

SSLC – Studied at “High School Pengamuck”, Pengamuck, Thrissur(Dist.).

TECHNICAL SKILLS

Languages : Python - Django & Flask, PHP, Asp.Net, C++, Java, VB, MySQL, HTML, XML, CSS

Areas of interest : Software development and testing, Leadership

EXPERIENCE

I worked as a teaching staff at Kerala State Routronix Computer Institution under Jan Seva Kendra Wadakkanchery – January 2018 to December 2018

ACADEMIC PROJECTS

The project work is done by as a part of my MCA course - The projects are for just an awareness about web development.

ABOUT MAIN PROJECT

Online railway reservation system – This software allowing user from anywhere to do a booking for a journey in any train from anywhere to anywhere. For booking the users must have a bank account and sufficient balance amount. This software also includes ticket cancellation, refunding, train status checking, complaint registration, and admin can add trains and station details. This project is developed using ASP.NET with C# as the front-end and SQL Server 2008 as the back-end.

ABOUT MINI PROJECT

Online counselling – It is college allotment system. This software is most relief to students and institutions for reporting registration and searching the allotment. This project includes two modules; user and admin. The student (user) can register for counselling and based on the inputting details such as marks, preferences etc., the college allotment is processed. This software includes- search institutes, register, view counselling details, and admin can add institutes, courses and allow category wise counselling. This project is developed using ASP.NET with C# as the front-end and SQL Server 2008 as the back-end.
