

FATHIMATHUL NEHA NASEER TM

PYTHON WEB DEVELOPER

OBJECTIVE

Enthusiastic BSc in Physics graduate with a developing proficiency in Python, Django, and full-stack web development. Eager to embark on a junior position or trainee role, leveraging my current knowledge while actively pursuing opportunities to learn and apply these skills. I am committed to diligent work and continuous growth in web development, Python, and related areas, with a strong drive to contribute to the success of a dynamic company.

WORK EXPERIENCE

Full Stack Web Development trainee

Luminar Technolab Private Ltd • Kakkanad, Kerala (03/2023 - 09/2023)

- Designed and developed a responsive webpage using HTML, CSS, Bootstrap, and JavaScript to ensure optimal user experience across various devices and screen sizes.
- Utilized SQLite and MySQL databases to establish relational structures, seamlessly connecting with Python code for various data operations.
- Worked on a Django-based e-commerce site with user registration, product listing, and backend database integration for efficient inventory management.
- Actively engaged in collaborative teamwork, fostering effective communication and making substantial contributions to assignments, discussions, and project initiatives.

Academic experiences

Ansar Women's College, Perumpilavu (2020-21)

- Actively contributed as a member of (IQAC) for NAAC accreditation editing, organizing, and creating comprehensive reports for diverse college programs and events. Responsibilities also included data entry and proficiently editing Google Docs and Sheets to ensure accuracy, clarity, and adherence to institutional standards.

EDUCATION

NACTET Certified Python Django-Angular-Full Stack Developer

Luminar Technolab (3/23 - 10/23)

BSc in Physics

University of Calicut (2019 - 2022)

Higher Secondary Education
