

Aswanth Alakkadan

Web Developer

Recent computer science graduate with a strong foundation in web development and a passion for creating innovative and high-performance applications using the MERN stack. Proficient in MongoDB, Express.js, React, and Node.js, with knowledge of the latest web development trends and best practices. Strong problem-solving abilities, eager to learn and grow as a developer. Seeking to kickstart my career as a MERN stack developer in a dynamic and challenging environment.
