EDUCATIONAL HISTORY

Bachelor of Technology(B.Tech)

Electrical and Electronics Engineering
Muthoot Institute of Technology and Science
CGPA:6.95
2018-2022

Higher Secondary(CBSE)

Computer Mathematics
St.Ann's Public school,Kalamassery
CGPA:8.32
2016-2018

Secondary(CBSE)

Rajagiri Public school,Kalamassery
CGPA:8.2
2016

SKILLS

Personality Skills

- Communication
- Adaptability
- Work Ethic
- Team Work
- Time management

Technical Skills

- c Language
- Java
- Html/CSS
- JQuery
- Javascript
- Bootstrap
- Git-
<https://github.com/SuhailRazi>
- React.js

Other Skills

- MS word
- MS excel
- MS power point
- Adobe photoshop

PROJECT

- **2020-Smart Street Light System**

The objective was to reduce Energy and time consumption, Reduce manpower and for the Automatic detection of emergency vehicles

- **2021-Controller design and implementation of Two-wheel Self balancing robot.**

The objective was to design a Two Wheel self balancing robot using different controllers and compare the stability and output of each controllers

Responsibility

2020-2021 Class Committee Representative
EEE Dept,MITS

ACHIEVEMENTS

- **2019** Business English Certificate (BEC) International
- **2020-2021** Selected for final round Poco challenge(post covid challenge) IEDC MITS Automatic toilet seat cover
- **2021** Innovating Energy Sector Selected for finals conducted by energy club, HOMINATOR
- **2021** Ongoing participation in Idea fest, Kerala startup mission, Automatic toilet seat cover
- **2021** Selected as Project Engineer in Wipro limited

MOOC COURSES

- **2020** AI for everyone Coursera(online)
- **2020** Machine learning for all Coursera(online)
- **2020** Introduction to Augmented reality Coursera(online)

TRAININGS

- **2022** Completed Wipro Pre-Joining Program for Elite Freshers
- **2020** MATLAB Onramp
- **2019** Workshop on INDUSTRIAL AUTOMATION conducted by NIT, Calicut
- **2019** Electronic project building Workshop on circuit designing, product assembly and trouble shooting
