Experience & Projects

From a beginner i developed my own portfolio websites during my initial days of web development journey. It is a framework using HTML, CSS and JavaScript.

Created a project based on frontend development and it's a clone of website like Bookmyshow for Movies, tickets and events.

<https://github.com/SreejithManoj>

Attended an internship program in Python for Back-end developments from the institute of ICS IT Training institute, Palakkad.

This projects are based on graphic design when I worked as a freelancer.

behance.net/sreejithmanoj

Self made Calculators with the basic knowledge of Java and Building a Weather App with user's device locationetc.

Worked as a part-time job in Zomato Online food delivery.
