Profile

- Passionate about implementing and launching new projects.
- Looking to start the career as an entry-level software engineer with reputed firm driven by technology.

Education

B.Tech-ELECTRONICS AND COMMUNICATION ENGINEERING	06.2022
Ahalia school of engineering and technology , cgpa : 7.45	Palakkad, India
HSS, GHSS MUTHALAMDA	03.2018
73%	Palakkad, India
SSLC,ST PAULS KOLLENGODE	03.2016
85%	Palakkad, India

Projects

WIRELESS NETWORK EXTENDER USING RASPBERRY PI

The creation of a low cost extended and its performance in a low coverage area are discussed in this project. Various factors are reviewed and analyzed during the testing, including the Raspberry Pi's energy efficiency and the network's signal strength. The result of the measurements demonstrate the effectiveness

Skills

Oops concept, C programming, C++ programming, Adaptable, Time management,
Team work and coordination, Web designing tools: (HTML5 , CSS , JavaScript), Python, SQL

Certificates

- Participated in workshop on theory and practice of ham radio operations.
- Done a hands on training in soldering technique
- Participated in workshop on embedded system technologies for deep learning and approximate computing organized by IIT Guwahati

Languages

English, Malayalam, Tamil

Courses

Building modern python on amazon web services, coursera
