VIMAL ADITHYAN S

Full Stack Developer

About Me

Seek to work in an environment that will challenge me further; while allowing me to contribute to the continued growth and success of the organization. Obtain a position that will provide me the ability to apply my sales and work experience to a growing industry. Look forward to working with a company that promotes quality products and services; and provides me with the opportunity to meet and exceed assigned sales goals. Consultative selling approach coupled with the energy and drive as an individual contributor with minimal supervision or team selling environment. Experience with quotas ranging from 15k per month to 800k per year with excellent attainment.
