MOHAMED SHAHEEN

PROFILE

Highly motivated and detail-oriented data scientist with a year of experience in analyzing and interpreting complex data sets. Possessing a NACTET certification and a strong background in mathematical and statistical analysis. Seeking a challenging role as a Data Scientist in a dynamic organization where I can utilize my skills and knowledge to contribute to business growth.

INTERNSHIP

Junior Data Scientist   **Mar 2022 - Feb 2023**

Soften Technologies, Kadavanthra

- Worked with a team of data scientists and engineers on various projects, including data analysis, visualization, and predictive modeling.
- Utilized tools such as Python for data cleaning, exploration, and analysis.
- Gained hands-on experience in machine learning algorithms, including linear and logistic regression, decision trees, and random forests.
- Contributed to the development of predictive models that improved decision-making and data-driven insights for clients.
- Collaborated with cross-functional teams to deliver actionable insights and recommendations to stakeholders.

PROJECT

Attendance Registration System Using Face Recognition Library in Python

- Developed a system for registering attendance of employees or students using face recognition technology.
- Utilized Python programming language and the face recognition library to build the system.
- Implemented the system to create a new file every day with the current date as the file name for easy record keeping.
- Contributed to improving the efficiency and accuracy of attendance tracking for the organization.

EDUCATION

MSC Data Science   **Jul 2022 - Present**

Manipal Academy of Higher Education

Bachelors in Computer Applications   **Jun 2019 - Mar 2022**

Mahatma Gandhi University
Grade : B

SKILLS & ABILITIES

- Proficient in Python, PHP, C++, SQL, and R
- Proficient in Pandas, NumPy, Scikit-learn, Machine learning, OpenCV, Artificial Intelligence, Deep learning.
- Familiar with MS Excel, Keras, TensorFlow, MySQL, SQLite, R Studio, Microsoft Office, Jupyter Notebook and Colab
- Experienced in Tableau, Matplotlib, Tidyverse, Ggplot, and Power BI
- Excellent team player with strong communication and interpersonal skills
- Strong problem-analyzing and problem-solving abilities
- Proven ability to think critically and find creative solutions to complex problems.

CERTIFICATION

- NACTET Data Science
- UC DAVIS SQL For Data Science
- Google Fundamentals for Digital Marketing
- MACQUARIE University Data Visualization in Excel
