Dear Hiring Manager,

I am writing to express my interest in the ReactJS Developer position at ALTOS Technologies. While my background is not in Computer Science, I have completed online courses and personal projects to learn web development fundamentals, including ReactJS.

I possess strong problem-solving skills, am highly motivated, and am able to work well independently or in a team. I am excited about the opportunity to join ALTOS Technologies, contribute my unique perspective, and grow my skills as a ReactJS developer.

Also, Please find my resume attached to this cover letter for your review. Thank you for considering my application. I look forward to hearing from you.

Sincerely,

Rinto Jose

Rinto Jose

As a ReactJS developer fresher, I possess strong skills in JavaScript and web development, with a focus on designing and implementing user interfaces using ReactJS, HTML, and CSS. I have completed multiple projects that demonstrate my ability to create scalable, efficient, and responsive web applications. I am eager to apply my knowledge and skills to a dynamic development team and continue learning and growing as a ReactJS developer.
